TO: Captain Sean Meagher

RE: Vanuatu Fleet Charter, August 2008

Dear Captain Sean,

I wanted to thank you for a truly marvelous voyage on S/Y BLUE GOLD. My clients of 28 years, who chartered three yachts with BLUE GOLD as the mother ship for two weeks in Vanuatu, were extremely pleased. BLUE GOLD and crew was a great platform for many social events, great cocktails, and great dinners for the entire group.

I was honored that the clients invited me to participate in the trip and it gave me a firsthand opportunity to see you and your wonderful crew in action. I was very impressed by your ability to do a great job running the ship and crew and still have time to be with the clients on snorkeling adventures, diving adventures, etc. Your chef and service staff did a truly incredible job as well. All of your crew were great shipmates, superb sailing and water people and did a fine job of being smiling, friendly and personable but letting the charterers have proper space for themselves. Smiling service with great discretion.

First mate Sam and the deck crew did a fine job of sailing the yacht. Sailing on BLUE GOLD among the gorgeous islands of Vanuatu is a wonderful memory. She glides through the water with majesty and grace – and great comfort.

It was wonderful working with you on the itinerary. I think we ended up with a truly memorable trip for the clients. I have no hesitation in sending further business to you and BLUE GOLD and highly recommend BLUE GOLD under your command with her superb crew to my colleagues in the industry.

I look forward to staying in good touch and it was wonderful sailing with you, Sean.

Sincere regards,

Mary T. Crowley
